### Work Experience

#### Freelance / Digital Design Lead

April 2019 – Present

#### Iris / Associate Design Director

November 2015 to April 2019

I was responsible for the quality, creativity and delivery of numerous projects and accounts. I was the lead designer on Samsung, Shell, Wacom and Farrow&Ball, overseeing all digital work, leading pitches and working directly with clients. Working within the team of 14 digital designers I was responsible for overseeing the design output, as well as looking after team growth through mentoring and goal setting, as well as championing culture.

#### Karmarama / Senior Interaction Designer

February 2014 – November 2015

Working primarily across Honda, Clydesdale, Cobra, and BT Sport, my responsibilities were spread from conceptualising to delivery of crafted digital solutions.

#### SapientNitro / Designer

March 2011 – February 2014

Working across multiple accounts, from telecom such as EE and BT, to fintech such as Barclays, NatWest, RBS and HSBC.

### Education

#### Univeristy of Sussex / Product Design BSc

2007 – 2010
